The Methanol Fuel Station will be open at the various times as posted.

The “Sun and Show” car show will take place in the pit paddock area on Saturday and Sunday Awards for the car show will be presented adjacent to the Victory Circle Club on Saturday at 12:20 PM.

The CRT Autograph Alley will be located at the Victory Circle Club.

All races on the 1/5-mile track are subject to a one minute per lap maximum time limit.

All 1/5-mile teams may outload at any time but must first report to a head CRT official for approval in order to not obstruct ongoing events. Due to the number of cars participating the pit area for the 1/5-mile has been expanded and overflow parking is being provided. Please cooperate with event officials to pit and park where directed.
